Leave Western Front.

(By Associated Press to The Banner)

WASHINGTON, June 24—Though cheered by news that the Italians are pursuing the defeated Austrian army across the Piave, officials and military observers here are prepared to hear at any time of a stiffening of the enemy line and of the launching of another offensive movement, supported by Germans withdrawn from France for the purpose.

Some officials suggested today that the absence of any activity along the fronts in France during the past few days might be accounted for by the movement of German reinforcements toward Italy.
